

# Western Art Agencies of NC

## Better known as WAANC!

This is your annual dues statement, but it looks different. For this year only, we have a deal for everyone! Since no one has extra money, but we want to keep everyone in WAANC we have lowered dues for one year.

If your annual budget is \$25,000 or less your dues are \$30  
If your annual budget is over \$25,000 your dues are \$50

Dues once again include access to the Mountain Arts Program roster. This is a list of wonderful artists who are available for school and community residencies!
