

Sara Deutsch

Collage, Creative Writing, Improvisational Music, Puppet Making/Performing, Silk Painting, Soft Sculptures, and Computer Art

Sara Deutsch offers 19 years experience as a multimedia artist, educator, creative arts therapist for adults and children. Sara draws from doctoral study in psychology and psychobiology, cross-cultural adventures, and many years of developing and teaching classes including: STIRRING UP YOUR CREATIVE GENIUS, CREATIVE COLLAGE, MUSIC INSIDE OUT, THE CREATIVE JOURNAL, and MAKING PUPPETS COME ALIVE! Her own multimedia explorations include improvisational music (cello, voice, keyboard, and original musical instruments) computer art, collage, painting, soft sculpture, and writing.

Your brain is a three-pound universe with infinite resources for creativity. Sara's goal is to wake up your creative genius through games and experiments such as mind map poetry, energy print art, magic writing, collage fantasies, sound salads, "What if?" group science fiction stories, and "Whose Line is It Anyway?" improvisations. Sara holds a B.S. in Psychology, and Philosophy from the University of California at Berkley, M.S. in Psychology from Tulane University, Doctoral Training in East/West Psychology as California Institute of Integral Studies.
