Drew has been a professional puppeteer and performer for over 15 years. He received his Bachelor of Arts Degree from the University of NC at Charlotte in theatre with an emphasis on puppets. Drew has worked with some of the finest Charlotte theatres, giving them fantastic props and puppets for shows like Peter Pan, Blacklight Magic, Alice in Concert, The Wizard of OZ, The Tempest, and countless others. Drew has three short puppet films under his wing and when he's not working on some outlandish show, he takes time to go to different schools and universities to teach seminars on masks and puppets. Drew's primary goal in life is to learn as much as possible about his craft and make the world a slightly stranger place.'

From film, commercial and television appearances to instructional seminars and live theater, Drew has experienced it all.

Drew's achievements, honors and awards include the 2008 MTA Artist Grant, 2007 & 2008 MTA Awards for Puppetry, 1997 Outstanding Achievement Award in Theatre and two 1996 Silver Key Art Awards for masks.
